

Get On Target With "Skeet Shot"

marketed exclusively by Romstar

When it comes to the best shooting game in town, there's only one game on target: SKEET SHOT.

Skeet Shot - The exciting, new 2-player simultaneous skeet shooting game, has over 35 waves of shooting action and over 8 background scenes.

Skeet Shot's digital sound and incredible high resolution graphics is competitive, even for today's best markaman. And, with Dynamo's revolutionary 50" HS-13 compact cabinet the game will appeal to a variety of locations, including bars and taverns. So, step right up and fire away. Available in both 50" and 70" cabinets.
